11th April 2007

Dear Claire,

It was a real pleasure working at Hurst Park last week. The staff and children made me feel very welcome and all worked so hard to make Art Week the success it was. It was a really memorable time for me.

I am looking forward to installing the work in the exhibition and I hope to see some of you at the opening day on Saturday 31st March or during the first week in April. I have enclosed information about the opening times and venue address. I know the children are making their own invitations and I am aiming to send you some posters in the next week or so.

If you need to clarify any aspect of the arrangements do get in touch.

With best wishes

Jane Ponsford
